

*TIAA's mission is to improve and elevate the technical and general knowledge of the mechanical insulation industry in Alberta, promoting excellence in manufacture, application and installation of all insulation products and materials, with just and honorable practice in the conduct of business.*

## TIAA Membership Application

Incorporated under the Societies Act on July 13th, 1962, the Thermal Insulation Association of Alberta (TIAA) consists of mechanical insulation contractors, both union and non-union, as well as manufacturer and supplier company members. There is also an affiliate membership for those associated with the industry in an indirect way. Association membership serves the industrial and commercial needs of Alberta, the Yukon and N.W.T.

TIAA's objectives are as follows:

- To promote the consideration and discussion of all matters affecting the insulation industry.
- To promote co-operation amongst the members on all matters affecting insulation industry.
- To interact with and provide facilities for any public or private bodies in matters affecting the insulation industry.
- To improve and elevate the technical and general knowledge of persons engaged in the insulation industry.
- To promote excellence in the manufacture, application and insulation of all insulation products and materials, together with just and honorable practice in the conduct of business, and to suppress malpractice.
- Thermal Insulation Association of Alberta shall be non-political and non-sectarian.

Industry issues involving the insulation industry regularly come to the attention of the TIAA board. These issues range from apprenticeship, bid depository (ACTS), labour issues, trade protection, maintaining trade workmanship standards and the general promotion of the industry. TIAA has and continues to have input into the Alberta Construction Tendering System (ACTS) which allows construction trades within Alberta to submit bids on projects.

Please fill out the following application and return via email to [info@ttaa.ca](mailto:info@ttaa.ca)

Applications are review by the TIAA office then sent to the TIAA Board for approval. We appreciate your patience during this process.

TIAA's mission is to improve and elevate the technical and general knowledge of the mechanical insulation industry in Alberta, promoting excellence in manufacture, application and installation of all insulation products and materials, with just and honorable practice in the conduct of business.
